

MARCELO
LETELIER
TRAY II

GUITARIST | COMPOSER | PRODUCER

PROGRESSIVE ROCK INSTRUMENTAL FUSION

ELECTRIC GUITAR PROJECT

BERLIN, GERMANY | EUROPE

ELECTRONIC PRESS KIT 2026

ARTIST PROFILE

MARCELO LETELIER

Berlin-based Chilean guitarist and composer

Marcelo Letelier creates instrumental electric guitar music at the intersection of progressive rock, melodic fusion and Latin American rhythmic identity. His sound combines expressive phrasing, compositional depth and a strong live presence.

With an academic background in Composition and Music Education, he approaches the guitar as both a lead voice and a complete musical architecture. Original themes, dynamic development and cinematic melody are central to his work.

ARTISTIC DNA

Progressive Rock

Instrumental Fusion

Melodic Guitar

Latin / Chilean Elements

Electric Guitar

“

A guitar-centered project where progressive rock power meets Latin American rhythm, melody and identity.

PROGRESSIVE POWER. LATIN CHARACTER.

A single electric identity built from composition, phrasing, rhythm and stage energy.

PROGRESSIVE ROCK ARCHITECTURE

Dynamic structures, thematic development and modern instrumental-rock energy.

MELODIC GUITAR VOICE

Expressive lead playing, memorable themes and a cinematic sense of movement.

LATIN AMERICAN DNA

Rhythmic accents and melodic character integrated into an electric progressive language.

SELECTED INFLUENCE LANDSCAPE

Al Di Meola | Jimi Hendrix | Jeff Beck | Andy Timmons | Plini

Progressive rock | Instrumental fusion | Latin American and Chilean music

THE ARTISTIC PROMISE

A distinctive electric instrumental concert experience: melodic enough to connect immediately, sophisticated enough to reward close listening, and rhythmically alive enough to move an audience. The project is designed around original compositions and a recognizable guitar voice.

PERFORMANCE FORMATS

Flexible electric configurations for festivals, venues, cultural programs and special events.

01

ELECTRIC FUSION - SOLO

Electric guitar with professionally produced backing tracks. Progressive rock, melodic fusion and original instrumental music with a compact technical footprint and a full-stage sound.

30-90 MINUTES**02**

ELECTRIC FUSION - DUO

Expanded live interaction with an additional musician. Instrumentation can be adapted to the production, venue and repertoire needs.

45-90 MINUTES**03**

FULL BAND CONFIGURATION

Complete arrangements for larger stages, theaters and festivals. The lineup and technical requirements are defined according to the event.

CUSTOM DURATION

PRODUCTION

Professional technical rider and stage plot supplied according to the selected electric format.
